

Amendment 001 – September 11, 2018

SA-HIV-INNOVATIONS-2018

Innovating for HIV Impact: The South African HIV Innovations Accelerator

The purpose of this amendment is to further clarify eligibility for entities currently receiving PEPFAR funding.

Members of a consortium that currently receives PEPFAR funding may be eligible to submit an expression of interest depending on the legal framework of the consortium. Questions related to eligibility should be submitted to SAHIVInnov@usaid.gov and directed to the cognizant Contracting Officer for a final determination.
